Patient Information

ORIGINAL STATEMENT

Patient name: vivek. Age: 20. Gender: Male. Query: i have fever for past 2 days along with cold and cough

TRANSLATED STATEMENT

Patient name: vivek. Age: 20. Gender: Male. Query: i have fever for past 2 days along with cold and cough

Complexity Assessment

COMPLEXITY LEVEL

LOW

ASSESSMENT REASON

Common cold/flu-like symptoms (fever, cold, cough) for a short duration (2 days) in a young adult are typically manageable with home remedies and over-the-counter medications.

Diagnosed Condition

Common Cold or Viral Flu-like Illness

Precautions & Safety Measures

- Stay home to rest and prevent spreading infection
- Cover mouth and nose when coughing or sneezing
- Wash hands frequently with soap and water

Dietary Recommendations

Foods to Include

- Warm clear broths (chicken soup, vegetable soup)
- Plenty of water and clear fluids (ORS, coconut water)
- Soft, easy-to-digest foods (khichdi, porridge, mashed fruits)

Foods to Avoid

- Spicy or oily foods
- Sugary drinks
- Alcohol and caffeine

Recommended Medications

- Paracetamol (Acetaminophen) for fever and body aches (OTC)
- Cough syrup (e.g., Dextromethorphan for dry cough or Guaifenesin for wet cough, OTC)
- Nasal decongestant spray (e.g., Oxymetazoline, use for max 3 days, OTC)

Natural Remedies & Home Care

- Gargle with warm salt water for sore throat
 - Inhale steam (from a bowl of hot water or a steamer) for nasal congestion
-

- Drink ginger tea with honey for cough and sore throat

Activity & Lifestyle

Complete rest and avoid strenuous activities

Follow-Up Guidance

Follow-up Timeline: If symptoms worsen or do not improve within 5-7 days

Seek Immediate Medical Attention If:

1. High fever (above 102°F or 39°C) that doesn't respond to medication
2. Difficulty breathing or shortness of breath
3. Severe chest pain
4. Persistent vomiting or inability to keep fluids down
5. New or worsening symptoms like ear pain or severe headache

General Health Advice

- Get adequate sleep to aid recovery
 - Keep the room well-ventilated but warm
-

- Use a humidifier to ease congestion
